

**Matchmaking for companies and jobseekers**  
**Northern Optics and Photonics (NOP) 2018**  
**12-14 September 2018**  
**Matteannex, University of Lund, Sweden**

We will arrange matchmaking between companies and job-seekers at the conference Northern Optics and Photonics in Sweden 2018 in Lund. It will take place on 13th and 14th September 2018 and interested companies can get 20 minutes slots to meet interested candidates. We have a private room where the discussions can take place.

If you are interested let us know beforehand, by sending a note to Petra Bindig ([petra@photonicsweden.org](mailto:petra@photonicsweden.org)).

- Companies shall send a job description.
- Jobs-seekers shall send a mail which says that they would like to book a time slot!

The service is free for all participating companies and attendees.

More information on the conference can be found at <http://photonicsweden.org/northern-optics-photonics-2018-conference-lund/>
