

Invitation to Hamamatsu Technology Days in Stockholm, Sweden, on April 29th 2024 !

Join the event to explore key **optical solutions**

29th April | Stockholm, Sweden

TECHNOLOGY DAYS 2024

HAMAMATSU
PHOTON IS OUR BUSINESS

Register now!

Join Hamamatsu Photonics Europe's lead event for a day filled with expert insights, live demos, and networking opportunities. We will explore the power of photonics from practical application to its impact on shaping the future of industries with our new program now including Pilot Lines. This time PhotonHub Europe will also participate and present its Innovation, Training & Business/Investment Support.

Venue: Nordic Forum, Torshamnsgatan 35, 164 40 Kista

Date: April 29th 2024

Time: 09:00-15:35

Shape the future of photonics in Europe!

Photonics Partnership Annual Meeting 2024

14 – 15 May 2024

DoubleTree by Hilton Brussels City Hotel

PHOTONICS PUBLIC PRIVATE PARTNERSHIP

Why attend

- Be part of a high-level panel discussion "Quo Vadis Photonics?"
- Get information on funding opportunities in other European partnerships or initiatives
- Learn about the economic performance of photonics on a global scale
- Network and develop new ideas for future Photonics R&I projects

Register now!

Early bird rates and sponsoring opportunities available at www.photonics21.org

This year's Photonics Partnership Annual Meeting will focus on the future of photonics in Europe. A high-level panel discussion will provide an interesting discussion about 'Quo Vadis Photonics?'. The presentation of the new photonics market study will provide you with further insights about the economic performance of photonics on a global scale.

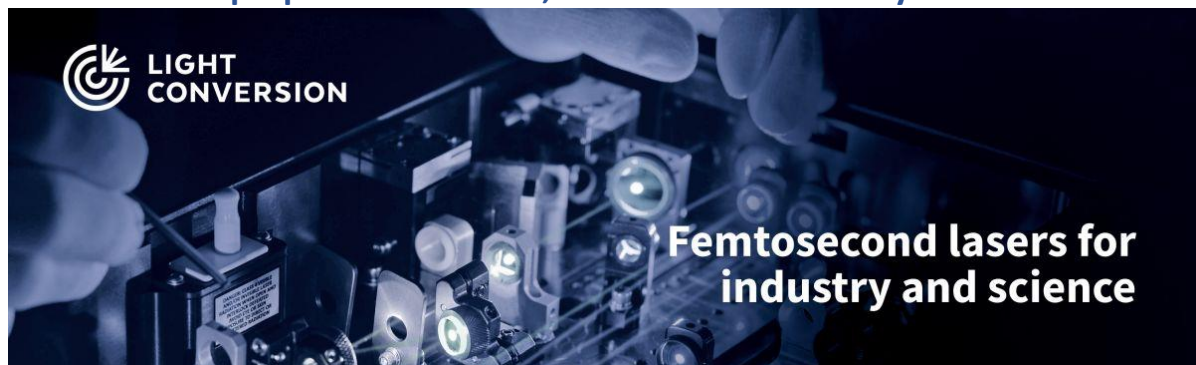

Venue: DoubleTree by Hilton Brussels City, Rue Gineste 3, Brussels, B-1210, Belgium

Date: May 14th - 15th 2024

Time: May 14th 17:00 – 22:00, May 15th 2024 09:30-16:00

Optics and Photonics Days (OPD) is an annual central event in Optics and Photonics in Finland. OPD2024 offers a unique opportunity to learn from interesting presentations from Academy and Industry program running in parallel, network with companies, students and researchers in the field of photonics and optics, but also to explore products and services at OPD Exhibition that is held during the conference.

Nordic Photonics Forum will take place on Tuesday May 28th. Topic is “Nordics meet France” first day of the OPD2024. The idea behind this session is to present good practices to organizations or companies that would like to engage in collaboration with France.

Venue: Scandic Marina Congress Center, Helsinki, Finland

Date: May 28th – 30th 2024

Time: Whole days
