

# OPS-2026

**Save the dates 6-8 Oct-2026**

**at Museum of work in Norrköping**

***Optics & Photonics in Sweden***

*Conference & Exhibition*

**PhotonicSweden**  
The Swedish Technology Platform in Optics and Photonics

**li.u** LINKÖPING  
UNIVERSITY  
**Agtech**  
Sweden

**Dates: Tuesday to Thursday 6 - 8 October, 2026**

**Venue: Museum of work - "The Flat Iron" (Arbetets museum - "Strykjärnet")**

The conference is located in the listed building Strykjärnet (The Flat Iron), previously a cotton mill and once described by sculptor Carl Milles as the most beautiful industrial building in Sweden. The Flat Iron is situated at the centre of Norrköping's scenic Industrial Landscape and is an important part of the city's cultural heritage.
