Job dating, matchmaking, release days for master thesis topics and internships!

We will arrange job dating between companies and job-seekers at the conference Optics & Photonics in Sweden 2022. It will take place on 5th and 6th October 2022 and interested companies can get 20 minutes slots to meet interested candidates.

If you are interested let us know beforehand, by sending an email to Petra Bindig (petra@photonicsweden.org) deadline: 20 of September 2022.

- Companies shall send a job description.
- Jobs-seekers shall send a mail which says that they would like to book a time slot!

The service is free for all participating companies and registered attendees.

Additionally, companies have the possibility present their master thesis topics and internships!

All master students can visit the exhibition and info corner for master thesis and internships for free. More information: www.photonicsweden.org
