

# Optics & Photonics in Sweden 2021

**PhotonicSweden have decided not to postpone OPS-2021 once again due to uncertainty about the Corona pandemic during autumn of 2021. Therefore OPS-2021 is cancelled! Our next conference OPS-2022 will be in autumn 2022 and again planned to be arranged at Umeå University!**

---

## Rektorsämbetet på Umeå Universitet har meddelat att:

- Smittskyddet i Region Västerbotten rekommenderar en fast grupp om **max sju (7) personer**,
  - **inga evenemang** för anställda och studenter får genomföras i **universitetets lokaler**,
  - **publika arrangemang med Umeå universitet som arrangör eller medarrangör ställs in** eller ersätts med alternativa former. Begreppet "publika arrangemang" avser inte universitetets kärnverksamhet som utbildning av studenter på grundnivå eller avancerad nivå, utbildning på forskarnivå eller forskning,
- ⇒ Vi planerar att arrangera OPS-2022 i Umeå nästa år istället!

---

## The Rector's Office at Umeå University has announced that:

- Infection control in the Västerbotten Region recommends a fixed group of **a max of seven (7) people**,
  - **no events** for employees and students may be held **on the university's premises**,
  - **public events with Umeå University as organizer or co-organizer are canceled** or replaced with alternative forms. The term "public events" does not refer to the university's core activities such as the education of undergraduate or advanced level students, postgraduate education or research,
- ⇒ We plan to arrange OPS-2022 in Umeå next year instead!
-
